### **SHELTON STATE COMMUNITY COLLEGE FOUNDATION HOSTS SECOND ANNUAL STUDENT INVESTMENT LUNCHEON**

Tuscaloosa, Alabama – The Shelton State Community College Foundation invites you to join West Alabama community leaders and local business and industry partners for the second annual Student Investment Luncheon and Auction on Wednesday, November 29 at 11:00 a.m. on Shelton State’s Martin Campus. Admission for the event varies according to sponsorship levels. Individual tickets are also available.

The Shelton State Community College (SSCC) Foundation established this event in 2016 as a way to fund scholarships for tuition, fees, and books for SSCC students. Contributions to the luncheon and proceeds from the auction assist students in pursuing their college careers.

“We are excited about building on the success of last year’s event,” said Shannon Chandler, Director of Development. “We are confident that the generosity we received previously is what we will experience again, and that this tradition will continue to grow and change lives.”

Though the College is enjoying a second year with the event, Shelton State’s new president, Dr. Bill Ashley, will be a first-time attendee. “With the holidays approaching, I can think of no better way to begin celebrating than to provide students with scholarship opportunities,” said Ashley.

The silent auction will precede lunch and a brief program, and the event will conclude no later than 1:00 p.m. Group and individual sponsorship options are available for purchase. For more information, contact Shannon Chandler at 205.391.2360 or [schandler@sheltonstate.edu](mailto:schandler@sheltonstate.edu).
