SHELTON STATE AND WEST ALABAMA WORKS OFFERING FREE JOB PLACEMENT IN THE AUTOMOTIVE INDUSTRY

Tuscaloosa, Alabama – Are you searching for a job in the growing automotive industry? Are you looking to improve your employment possibilities? Would you like to find a job in West Alabama? Resources are directly available to you!

The Mobile Workforce Unit (MWU) is Shelton State's newest way to connect community members with job opportunities. The purpose of the MWU is to make job resources accessible through the West Alabama Works Career Connect system. By visiting the MWU and signing up with the Career Connect system, you can take advantage of educational resources and learn more about employer demands. Providing simple information about your career interests can connect you with your future job!

For students concerned about minimal work experience and educational background, Shelton State can assist you with securing grant funding for available options in Adult Education, Ready-to-Work basic skills training, forklift training, and certification for warehouse logistics. These industry-recognized credentials will provide the skills and educations necessary to succeed in the automotive industry.

The Shelton State team wants to meet you! Join us at the Greensboro Piggly Wiggly on Wednesday, March 15 between 3:00 p.m. and 6:00 p.m., or visit westalabamaworks.com to register in the Career Connect system and get started today. Train for a lifelong career at no additional expense!

For more information, contact Ryan Sabbagh, Training for Business and Industry Coordinator, at 205.391.3931 or rsabbagh@sheltonstate.edu.
