Shelton State Community College  
STARS Approved Course List

This list also is known as the STARS approved list because of its association with the Statewide Articulation Reporting System, a computerized articulation and transfer planning system.

**What is STARS?**

STARS, the Statewide Transfer/Articulation Reporting System, is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. If used correctly, the guide prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama. To print a STARS Transfer Guide, visit [http://stars.troy.edu](http://stars.troy.edu)
