This semester has been a busy time for Shelton State and the Career Services Center.

Career Fair 2012 was held March 7th in the Martin Campus Atrium. Forty-five businesses supported our students by speaking with them and explaining what each company has to offer regarding careers and opportunities. The Tuscaloosa Fire & Rescue Service Department was on site to demonstrate various skills required. The Tuscaloosa Area Career Center provided a mobile unit equipped with computers, which allowed students the opportunity to apply for different job postings around the state.

The Career Services Center hosted its annual Business Etiquette Dining Workshop. The event was held in April and provided an interactive workshop in a real-life setting. It is an opportunity for students to learn business dining etiquette first-hand.

We would like to thank the following companies for participating in the Career Fair:
