WHAT IS THE "LIFELONG LEARNING" CENTER?

The Lifelong Learning Center is a non-credit program created especially for seniors, and is sponsored by Shelton State Community College. We organize and offer seniors lots of interesting short courses at a very reasonable cost.

WHAT DOES OUR LIFELONG LEARNING PROGRAM OFFER YOU?

Every semester we offer dozens of short courses. Some are only a single session of a couple of hours. Other courses have several short sessions, for a total of about 10 or 12 hours of learning. The courses are taught by instructors with expertise in their subject. Courses include topics such as health, nutrition, arts and crafts, travel, use of computers, investing, starting a business, photography, gardening, budgeting for retirement, and so on. Classes meet at times convenient for you (usually during the daytime) at either the main Shelton State Martin campus or at the C.A. Fredd campus.

HOW CAN YOU JOIN US?

You may register for our courses by calling us at 391-2386 and we'll help you get signed up for the courses you like. Or, you may drop by our office on the Shelton State Community College Martin campus on Old Greensboro Road. We accept checks or credit cards. You'll join other great seniors for interesting, stimulating learning experiences! It's a super bargain, and lots of fun!

WE INVITE YOU TO WORK WITH US

We welcome you to join other instructors who share their expertise and teach our courses. We can help you (if you wish) organize to teach a course and share your knowledge. Won't you please join our Lifelong Learning community, as a student, a teacher, or both? Give us a call at 391-2386.
