

Shelton State Community College

February 1, 2012

11:30a.m.-1:30p.m.

Transfer **D**ay

2012

TRANSFER DAY at Shelton State is an annual event held each spring semester. Representatives from more than fifty public and private colleges and universities in-state and out-of-state will visit the Martin campus bringing with them valuable information. The Transfer Admission Representatives are prepared to answer questions regarding admission requirements, major preparation, housing, financial aid, and scholarships.

**What will
be your
next step?**
.....

**How about
transferring
to a four-year
institution?**

This event provides students with a wonderful opportunity to learn about different universities, pick up applications and literature, and speak to representatives.

Students are encouraged to prepare questions in advance to ensure the university representatives address all your concerns.
