GET SCREENED FOR YOUR TEAM!

Alabama Department of Public Health
Team Up for the early identification of risk and disease! Wellness Screenings help keep active PEEHIP members and their covered spouses healthy and help keep health care premiums low.

All active PEEHIP members and covered spouses and non-Medicare retirees and spouses enrolled in the PEEHIP Hospital Medical group #14000 plan must participate.

3 Locations To Get Your Wellness Screening:

- at this school
- your in-network doctor* No Copay Required
- ADPH offices adph.org/worksitewellness/

Wellness Screening must be completed between August 1, 2014 and May 31, 2015!

* Your provider must use the TEAM UP Healthcare Provider Screening Form which is online.
