

ATHLETIC SCHOLARSHIPS

Athletic Scholarships are available in men's baseball, men's and women's basketball, and women's softball and may be granted to new students or current SSCC students. Student scholarship awards are for one year and are renewable for a second year based on athletic performance and academic eligibility.

REQUIREMENTS/SELECTION CRITERIA

Alabama State Board policy requires that scholarship recipients be a U. S. citizen or resident alien and must meet institutional admission requirements. These scholarships are awarded based on try-outs and/or a demonstrated ability to compete on the intercollegiate level.

Some scholarships are available only to students who qualify for Federal Financial Assistance, therefore every applicant for a Shelton State Community College scholarship is encouraged to apply for federal financial aid. Application may be made online at www.fafsa.ed.gov. PIN numbers may be requested at www.pin.ed.gov. The SSCC Title IV code is 005691. Information is available at the College website www.sheltonstate.edu or by calling the Office of Financial Aid, 205.391.2218.

Scholarships are awarded based on availability of funds; **meeting the minimum requirements does not guarantee a scholarship award.** Scholarships apply only to those semesters stated in the contract that is sent to the scholarship recipient and are subject to renewal only when certain conditions are met. Athletic scholarships will be awarded for full tuition waivers and books.

The deadline for all Athletic Scholarships is August 18th of each year.

Additional scholarship opportunities may be available. For information, contact the Office of Financial Aid, 205.391.2218.

It is the official policy of the Alabama Department of Postsecondary Education, including all postsecondary institutions under the control of the Alabama State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment.

Shelton State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the Associate in Arts, Associate in Science, and the Associate in Applied Science degrees.
