

NOTE: Students must print and retain a STARS Articulation Guide for their specific program of study. Failure to do so may result in some courses not being accepted by the receiving institution.

Shelton State Community College's STARS Approved Course List

What is STARS?

STARS, the Statewide Transfer/Articulation Reporting System, is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. If used correctly, the guide prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama.

To print a STARS Transfer Guide, visit <http://stars.troy.edu>. Students should print two copies of the transfer guide. Students must retain a copy for personal records and bring a copy to all advising and registration sessions. The following is a listing of courses offered at Shelton State for Areas I-IV.
