## ADVISING AND REGISTRATION

Advising appointments are offered to all students. Appointments should be scheduled by visiting the student tab in myShelton and selecting "Meet with an Advisor." All first time students must meet with an advisor prior to registration.

Transient and transfer students must have an application for admission on file prior to registering for classes, and transient students must submit an updated transient letter each term.

To register online, students must have a Student ID (A number) and password. Students who do not remember the password should visit the Office of Enrollment Services or email [help@sheltonstate.edu](mailto:help@sheltonstate.edu).

### STARS Advising

Students who plan to transfer to a public four-year institution in the state of Alabama should visit [sheltonstate.edu](http://sheltonstate.edu) and search for the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system providing guidance and direction for prospective students who transfer to public institutions within the state of Alabama. The STARS system allows students in Alabama to obtain a transfer guide/ agreement for their major at the selected public four-year institution. Students should print and keep this guide. If used correctly, then it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year institution in Alabama. Refer to STARS for more information.

### Prerequisites

Before a student enrolls in a class, all prerequisites must be satisfied. If a student enrolls in a class for which the prerequisites are not fulfilled, then the student may not receive credit for that class and may be withdrawn administratively.

# COMMUNITY COLLEGE

## OTHER IMPORTANT INFORMATION

### **Martin and C.A. Fredd Campuses**

Shelton State Community College offers classes on two campuses: the Martin Campus and the C.A. Fredd Campus. These campuses are approximately seven miles apart.

The campus location for a course is noted on the schedule as "Martin" or "Fredd." Students should schedule classes to allow time to drive, park, and arrive on time. Students should not register for a class that meets immediately after a class on the other campus. For example, if the student's first class meets from 8:00 a.m. until 10:00 a.m. on the Fredd Campus, then the student should not register for a class that begins at 10:15 a.m. on the Martin Campus.

### **Grades**

To obtain grades, visit [sheltonstate.edu](http://sheltonstate.edu) and select myShelton. Students must enter the Student username and password for access. Students who forget the password may email [help@sheltonstate.edu](mailto:help@sheltonstate.edu). Grades are not mailed. It is the student's responsibility to check grades at the end of each semester. Students have six months to dispute any grading issues associated with their class or term transcript.

### **Class Cancellations/Room Changes**

It is occasionally necessary for the College to cancel a class or change a room. When possible, these changes are communicated one to two days before classes begin. Students will be emailed if a class is cancelled. Students should verify class schedules with room numbers in myShelton.

### **Withdrawal Policy**

Once classes begin for the respective semester, students who wish to withdraw from a class or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw from any class is defined in the College's academic calendar. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's grade average at the time of the withdrawal if the class does not qualify for a full refund when dropped; the grade of "W" will be recorded on the student's permanent record. Students who remain in the class after the last day to withdraw will receive the grade earned for the class.

Withdrawal through myShelton is available based on the deadline dates listed in this guide and on the College website. Withdrawal in person is available in the Office of Enrollment Services until the close of business of the designated last day for withdrawals. No withdrawals will be taken by phone. Failure to attend class does not constitute official withdrawal. If you are a Pell grant recipient or receive veteran's benefits, then you must speak with a representative from Enrollment Services before withdrawing from classes. Your grant award may be reduced or canceled if classes are not completed successfully. Students are unable to withdraw totally online and are required to meet with an advisor/navigator prior to withdrawing completely from Shelton State.

### **Withdrawal Process**

Students who wish to withdraw completely from Shelton State should follow these steps:

#### **Students Who Have No Financial Aid**

1. The student meets with an advisor to review the student's transcript and schedule.
2. The advisor conducts an exit interview, notes the student's reason(s) for withdrawing, and discusses alternatives and/or future educational plans.
3. The advisor and the student sign the Complete Withdrawal Form, which the student then takes to the Office of Enrollment Services for formal withdrawal.

#### **Students Who Have Financial Aid**

(Pell Grant, Veteran Affairs, and Scholarships)

1. The student meets\* with an advisor to review the student's transcript and schedule.
2. The educational planner notes any type of financial assistance received by the student.
3. The advisor conducts an exit interview, notes the student's reason(s) for withdrawing, and discusses alternatives and/or future educational plans.
4. The advisor and the student sign the Complete Withdrawal Form, and the student meets with a representative in the Office of Enrollment Services.
5. The enrollment representative explains the financial aid implications of the decision to withdraw and signs the Complete Withdrawal Form. Additionally, the student signs a letter to verify understanding of the financial and educational implications of withdrawing from the College.

6. The student presents the signed Complete Withdrawal Form and financial aid letter to the Office of Enrollment Services and is withdrawn by a staff member.
7. The student receives a copy of the completed Complete Withdrawal Form.

Note: If the student does not have an assigned advisor/navigator and wishes to withdraw at the C.A. Fredd Campus, the advisor/navigator who meets with the student follows all steps associated with the withdrawal process as described above, but instead of sending the student to withdraw in Enrollment Services, collects the Complete Withdrawal Form and transports it to Enrollment Services on the Martin Campus. The withdrawal date indicated by the advisor/navigator on the Complete Withdrawal Form is used as the withdrawal date. The financial aid representative on the C.A. Fredd Campus will follow the same procedures as outlined above for each student who withdraws.

## Applying for Financial Aid

Students who apply for financial aid must comply with the following:

1. Apply for admission to Shelton State and submit an official copy of final high school transcript, GED score, or academic transcripts from other colleges previously attended. Transient and high school students are not eligible to receive financial aid. All other students must have a complete admission file before financial aid funding can be awarded.
2. Be a U.S. citizen or an eligible non-citizen. All eligible non-citizens must provide documentation to verify their eligibility status.
3. Be a regular student working towards a degree or certificate in an eligible program at SSSC. A regular student is someone who is enrolled or accepted for enrollment in an eligible institution for the purpose of obtaining a degree or certificate offered by the College.
4. Meet the standards of academic progress (qualitative and quantitative).
5. Register with Selective Service if you are a male student between 18-25 years of age. Register online at [www.sss.gov](http://www.sss.gov).
6. If selected by the Department of Education, the verification process must be completed before funds can be posted.

## Obligation to Repay Title IV Financial

### Attendance

Federal grant recipients who completely withdraw from the College or are no longer attending all classes prior to completing sixty percent (60%) of the enrollment period will owe a repayment to the U.S. Department of Education. Failure to attend class will result in a reduction or repayment of financial aid. Students enrolled in distance education classes must begin participation within five (5) days of the first day of class.

FINANCIAL AID 60% DATES	FALL 2020	SPRING 2021	SUMMER 2021
Full Term	October 26	March 25	July 7
First Term	September 17	February 11	June 15
Second Term	November 17	April 16	July 21

### Definitions

**Federal Grant Recipient** - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Program (ASAP) is defined as a Federal Grant Recipient.

**Complete Withdrawal** - The return of Title IV funds will be calculated based on an applicant's failure to complete at least sixty percent (60%) percent of the term. The calculation will be based on the last official or unofficial date of withdrawal from all classes.

**Sixty Percent (60%) of Enrollment Period** - Students who withdraw from the College or stop attending class on or before these dates will owe a repayment. Students who withdraw after these dates will not owe a repayment.

**Repayment** - The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid received. Students who fail to repay the U.S. Department of Education will not be eligible to receive Federal Aid at Shelton State Community College or any other institution.

**Financial Aid Credit Hours** - Pell grant will not pay for courses not required by the student's program of study/major.

**Financial Aid Freeze Date** - The financial aid freeze date is used each semester to lock in a student's enrollment status for awarding financial aid. All classes a student is enrolled in on the freeze date each semester determines the maximum amount of federal aid the student is eligible

to receive. This includes all federal Pell grant awards. If a student increases their credit hours after the freeze date, the Pell grant will not increase. It is important to register for all courses before the census date each term.

All information regarding a student's federal financial aid award (i.e., adjustments, courses in program, attendance, and disbursement dates of refunds) will be communicated within myShelton and/or by email to the preferred email address listed in myShelton.
