GENERAL
This curriculum guide should be used by the student who has not chosen a major or professional field of study. Under the guidelines established by the Articulation and General Studies Committee, it is important to establish a major as soon as possible and to follow the AGSC Ratified Templates and STARS Transfer Guides for that major or professional field of study.

Approved Electives...............................................................4-8

Total Hours Required for Degree ............................................ 61-65

NOTE: Students must print and retain a STARS Articulation Guide for the Interior Design program. Failure to do so may result in the program not being transferable.

LAW (Pre-Law)

There is no single pre-law curriculum. A broad liberal arts education is considered an ideal preparation for the study of law; therefore, students planning careers in law may pursue a wide variety of undergraduate programs of study. Specific details for a pre-law program of study are a matter for each individual student to plan in consultation with advisors. The pre-law student is advised to select a major in a field of study found to be personally fulfilling and to select electives that assure a broad liberal education. A typical program for the first two years of pre-law is as follows:

Semester Hours

Area I - Written Composition: ..............................................6
ENG 101 English Composition I .............................................3
ENG 102 English Composition II .........................................3
Area II - Humanities and Fine Arts: ....................................12
Literature (See STARS Approved Course List) .......................3-6
Note: Must complete a 6 hour sequence either in literature or history
Speech (See STARS Approved Course List) ........................3
Fine Arts (See STARS Approved Course List—“A” Classification) .................................................................3
Fine Arts or Humanities Electives (See STARS Approved Course List) .................................................................0-3
Area III - Natural Science or Mathematics: .......................11
MTH 113 Pre-Calculus Trigonometry or more advanced mathematics ........................................................................3
(Additional prerequisite mathematics courses may be required based on placement test results.)
Natural Science with Lab (See STARS Approved Course List) ......................................................................................8
Area IV - History, Social, and Behavioral Sciences: ............12
History (See STARS Approved Course List) ..........................3-6

Note: Must complete a 6 hour sequence either in literature or history
History, Social, and Behavioral Sciences .............................6-9
(See STARS Approved Course List) A student should take no more than six hours in a single discipline.

Area V - Pre-Professional, Pre-Major, and Pre-Law
Elective Courses: .................................................................... 20-24
Choose 20-24 hours from courses below based on STARS Articulation Guide and the Area V page of the college to which the student plans to transfer.

Area II - Humanities and Fine Arts: ....................................12
ART 113 Drawing I ...............................................................3
ART 121 Two Dimensional Composition I .............................3
ART 204 Art History II ........................................................3
CIS 146 Microcomputer Applications ................................3
(See STARS Approved Course List for this program.)
HED 199 Ecological Approach to Health and Fitness or HED 221 Personal Health .............................................3
Shelton State encourages degree students to include a 3 semester hour course in health as a component of a well-balanced educational plan. HED 199 and HED 221 transfer as electives to most four-year colleges and universities.
Approved Electives...............................................................4

Total Hours Required for Degree ............................................ 61-65

NOTE: Students must print and retain a STARS Articulation Guide for the Law (Pre-Law) program. Failure to do so may result in the program not being transferable.

MATHS
Programs of Study

MEDICAL TECHNOLOGY/CLINICAL LABORATORY SCIENCES

This curriculum guide is designed for students who intend to earn a baccalaureate degree in Medical Technology from the University of Alabama at Birmingham or the University of South Alabama.

Area I - Written Composition: .............................................6
ENG 101 English Composition I ........................................3
ENG 102 English Composition II .........................................3

Area II - Humanities and Fine Arts: ....................................12
Literature (See STARS Approved Course List) .........................3-6
Note: Must complete a 6 hour sequence either in literature or history

Area III - Natural Science or Mathematics: .........................12
MTH 112 Pre-Calculus Algebra ...........................................3
MTH 113 Pre-Calculus Trigonometry ....................................3

Area IV - History, Social, and Behavioral Sciences: ............6-9
History (See STARS Approved Course List) .........................3-6
Note: Must complete a 6 hour sequence either in literature or history

Area V - Pre-Professional, Pre-Major, and
Elective Courses: ..............................................................24
Choose from courses below based on STARS Articulation
guide and the catalog of the college to which the student plans to transfer:

Area III - Natural Science or Mathematics: .........................1
HED 199 Ecological Approach to Health and Fitness or
Shelton State encourages degree students to include
a 3 semester hour course in health as a component of
a well-balanced educational plan. HED 199 and HED
221 transfer as electives to most four-year colleges and
universities.

MTH 125 Calculus I .........................................................4
MTH 126 Calculus II .......................................................4
MTH 227 Calculus III .....................................................4
MTH 238 Applied Differential Equations I ........................3

Total Hours Required for Degree ........................................61-65

NOTE: Students must print and retain a STARS Articulation
Guide for the Medical Technology/CLINICAL Laboratory
Sciences program. Failure to do so may result in the program
not being transferable.

MEDICINE

(Pre-Medicine, Pre-Dentistry, Pre-Optometry)

A wide variety of programs may be planned that will
both fulfill specific requirements for admission to medical
school, dentistry school, or optometry school and allow
students to pursue their individual academic interests.

Area I - Written Composition: .............................................6
ENG 101 English Composition I ........................................3
ENG 102 English Composition II .......................................3

Area II - Humanities and Fine Arts: ....................................12
Literature (See STARS Approved Course List) .........................3-6
Note: Must complete a 6 hour sequence either in
literature or history

Area III - Natural Science or Mathematics: .........................12
MTH 125 Calculus I .........................................................4
(Additional prerequisite mathematics courses may be
required based on placement test results.)

Area IV - History, Social, and Behavioral Sciences: ............6-9
(See STARS Approved Course List) A student should
take no more than six hours in a single discipline.

Area V - Pre-Professional, Pre-Major, and
Elective Courses: ..............................................................24
Choose from courses below based on STARS Articulation
guide and the catalog of the college to which the student
plans to transfer:

HED 199 Ecological Approach to Health and Fitness or
Shelton State encourages degree students to include
a 3 semester hour course in health as a component of
a well-balanced educational plan. HED 199 and HED
221 transfer as electives to most four-year colleges and
universities.

HED 199 Ecological Approach to Health and Fitness or
Shelton State encourages degree students to include
a 3 semester hour course in health as a component of
a well-balanced educational plan. HED 199 and HED
221 transfer as electives to most four-year colleges and
universities.

Total Hours Required for Degree ........................................61-65

NOTE: Students must print and retain a STARS Articulation
Guide for the Medicine program. Failure to do so may result in the program
not being transferable.
MUSIC or MUSIC EDUCATION

This curriculum guide is designed for students who wish to earn a baccalaureate degree in music or music education.

General Requirements:

Unless excused by the appropriate instructional dean, voice majors and minors are required to take Shelton Singers each semester, and instrumental majors are to enroll in an ensemble each semester.

Music majors and minors are expected to attend departmental recitals and selected musical events in the area.

Student programs are presented periodically, and all applied music majors and minors are required to perform in at least one of these each year.

To complete requirements in applied study and receive an Associate Degree, music majors must present a thirty-minute recital. Recital dates will be determined by music faculty and a pre-recital hearing.

At the end of each semester, students enrolled in principles of applied music and secondary applied music are given a jury examination by the music faculty.

Music majors and minors studying applied instruction must enroll in MUS 100 Concert Series. Four semesters of attendance are required.

Voice instrumental majors should take class piano as a secondary applied instrument for their electives.

Semester Hours

Area I - Written Composition: ....................................................6
ENG 101 English Composition I .............................................3
ENG 102 English Composition II ............................................3
Area II - Humanities and Fine Arts: ........................................12

NOTE: Students must print and retain a STARS Articulation Guide for the Music or Music Education program. Failure to do so may result in the program not being transferable.

NUCLEAR MEDICINE TECHNOLOGY

(University of Alabama at Birmingham only)

This curriculum guide has been prepared for students who intend to earn a baccalaureate degree in Nuclear Medicine Technology from the University of Alabama at Birmingham

Semester Hours

Area I - Written Composition: ..............................................6
ENG 101 English Composition I .............................................3
ENG 102 English Composition II .........................................3
Area II - Humanities and Fine Arts: ....................12
Literature (See STARS Approved Course List) .........................3-6
Note: Must complete a 6 hour sequence either in
literature or history
SPH 107 Fundamentals of Public Speaking .......................3
Fine Arts (See STARS Approved Course List-“A”
classification) ..................................................................3
Fine Arts or Humanities Electives (See STARS Approved
Course List) ........................................................................ 0-3
Area III - Natural Science or Mathematics: ...........11
MTH 113 Pre-Calculus Trigonometry ................................3
(Additional prerequisite mathematics courses may be
required based on placement test results.)
CHM 111 and CHM 112 College Chemistry I and II ...........8
Area IV - History, Social, and Behavioral Sciences: 12
History (See STARS Approved Course List) .........................3-6
Note: Must complete a 6 hour sequence either in
literature or history
History, Social, and Behavioral Sciences .........................6-9
(See STARS Approved Course List) A student should take no more than six hours in a single discipline.
Area V - Pre-Professional, Pre-Major, and
Elective Courses: ............................................................... 20-24
Choose 20-24 hours from courses below based on STARS
Articulation Guide and the Area V page of the college to
which the student plans to transfer.
ORI 101 Orientation to College ...........................................1
BIO 103 and BIO 104 Principles of Biology I and II .............8
BIO 120 Medical Terminology ...........................................3
BIO 201 and BIO 202 Human Anatomy and
Physiology I and II .........................................................8
BUS 271 Business Statistics I ..........................................3
CIS 146 Microcomputer Applications ..................................3
HED 199 Ecological Approach to Health and Fitness or
HED 221 Personal Health ..................................................3
Shelton State encourages degree students to include a
3 semester hour course in health as a component of
This curriculum guide is for students who wish to earn a Bachelor of Science in Nursing degree from the Capstone School of Nursing at the University of Alabama. Students who elect to attend other schools of nursing should consult the catalog of those institutions.

NOTE: Students must print and retain a STARS Articulation Guide for the Nuclear Medicine Technology program. Failure to do so may result in the program not being transferable.

NURSING
(Pre-Nursing)

This curriculum guide is for students who wish to earn a Bachelor of Science in Nursing degree from the Capstone School of Nursing at the University of Alabama. Students who intend to earn a masters degree in occupational therapy from the University of Alabama at Birmingham or the University of South Alabama. It is important to consult with an advisor at the senior institution early in the freshman year.

OCCUPATIONAL THERAPY
(Pre-Occupational Therapy)

This curriculum guide has been prepared for students who intend to earn a masters degree in occupational therapy from the University of Alabama at Birmingham or the University of South Alabama. It is important to consult with an advisor at the senior institution early in the freshman year.

Total Hours Required for Degree ........................................ 60-65

NOTE: Students must print and retain a STARS Articulation Guide for the Nursing program. Failure to do so may result in the program not being transferable.

Area I - Written Composition: ........................................... 6
ENG 101 English Composition I .................................... 3
ENG 102 English Composition II .................................. 3

Area II - Humanities and Fine Arts: .............................. 12
Literature Sequence (See STARS Approved Course List) ............ 6
Speech (See STARS Approved Course List) .......................... 3
Fine Arts (See STARS Approved Course List- “A” classification) .................................................. 3

Area III - Natural Science or Mathematics: .......................... 11
MTH 110 Finite Mathematics or MTH 112 Pre-Calculus Algebra ........................................ 3
(BIO 103 Principles of Biology I) ................................... 4
(Students with a strong background in biology should talk with a counselor to determine if they may be exempt from this prerequisite.)

Area IV - History, Social, and Behavioral Sciences: ............ 12
History (See STARS Approved Course List) .......................... 3
PSY 200 General Psychology ........................................... 3
SOC 200 Introduction to Sociology or ANT 220 Cultural Anthropology ............................................. 3
PSY 210 Human Growth and Development .......................... 3

Area V - Pre-Professional, Pre-Major, and Elective Courses: ........................................ 21-24

Choose 20-24 hours from courses below based on STARS Articulation Guide and the Area V page of the college to which the student plans to transfer.

ORI 101 Orientation to College .................................... 1
BUS 271 Business Statistics I .................................. 3
PHL 206 Ethics and Society ......................................... 3
HEC 140 Principles of Nutrition ................................... 3

Total Hours Required for Degree ........................................ 61-65

NOTE: Students must print and retain a STARS Articulation Guide for the Nursing program. Failure to do so may result in the program not being transferable.

PHARMACY
(Pre-Pharmacy)

Harrison School of Pharmacy
(Auburn University Only)

Area I - Written Composition: ........................................... 6
ENG 101 English Composition I .................................... 3
ENG 102 English Composition II .................................. 3

Area II - Humanities and Fine Arts: .................................... 12
Literature Sequence (See STARS Approved Course List - World Literature recommended) ......................... 6
PHL 206 Ethics and Society .............................................3
Speech (See STARS Approved Course List) ......................3

Area III - Natural Science or Mathematics: .........................12
MTH 125 Calculus I .........................................................4
(Additional prerequisite mathematics courses may be
required based on placement test results.)
CHM 111 and CHM 112 College Chemistry I and II ..........8

Area IV - History, Social, and Behavioral Sciences: ..............12
HIS 101 and HIS 102 Western Civilization I and II ............6
PSY 200 General Psychology or GEO 100 World Region
Geography or SOC 200 Introduction to Sociology ..........3
ECO 232 Principles of Microeconomics ..............................3

Area V - Pre-Professional, Pre-Major, and
Elective Courses: .................................................................23
Choose 20-24 hours from courses below based on STARS
Articulation Guide and the Area V page of the college to
which the student plans to transfer.
ori 101 Orientation to College ......................................1
ART 203 or 204 Art History I and II, MUS 101 Music
Appreciation, or THR 120 Theatre Appreciation ..........3
BIO 103 Principles of Biology I .........................................4
BIO 201 and 202 Human Anatomy and
Physiology I and II .........................................................8
CHM 221 and CHM 222 Organic Chemistry I and II .........8
CIS 146 Microcomputer Applications ..............................3
(or a computer class from the STARS Approved Course
List for this program.)
HED 199 Ecological Approach to Health and Fitness or
HED 221 Personal Health ...............................................3
Shelton State encourages degree students to include a
3 semester hour course in health as a component of
a well-balanced educational plan. HED 199 and HED
221 transfer as electives to most four-year colleges and
universities.
PHY 201 General Physics I ..............................................3

Total Hours Required for Degree .......................................65

NOTE: Students must print and retain a STARS Articulation
Guide for the Pharmacy (Pre-Pharmacy) program. Failure
do so may result in the program not being transferable.

PHARMACY
(Pre-Pharmacy)
McWhorter School of Pharmacy
(Samford University Only)

Area I - Written Composition: ...........................................6
ENG 101 English Composition I ..........................................3
ENG 102 English Composition II ......................................3

Area II - Humanities and Fine Arts: .................................12
Literature .................................................................3
SPH 107 Fundamentals of Public Speaking ....................3
Fine Arts (Choose from Art, Music, or Theater) .............3
Additional Fine Arts .......................................................3

Area III - Natural Science or Mathematics: .........................11
MTH 112 Pre-Calculus Algebra ........................................3
(Additional prerequisite mathematics courses may be
required based on placement test results.)
CHM 111 and CHM 112 College Chemistry I and II .........8

ENG 102 English Composition II ....................................3

Area II - Humanities and Fine Arts: ................................12
Literature .......................................................................3
Additional Fine Arts .......................................................3

Area III - Natural Science or Mathematics: .........................11
MTH 112 Pre-Calculus Algebra ........................................3
(Additional prerequisite mathematics courses may be
required based on placement test results.)
CHM 111 and CHM 112 College Chemistry I and II .........8

Area IV - History, Social, and Behavioral Sciences: ............12
HIS 101 or HIS 102 Western Civilization I or II ................3
PSY 200 General Psychology or SOC 200 Introduction to
Sociology ......................................................................3
History, Social, and Behavioral Science Electives ..........6

Choose from economics, geography, history, political
science (American government), psychology, and
sociology.
This curriculum guide has been prepared for students who intend to earn a baccalaureate degree in respiratory therapy from the University of Alabama at Birmingham.

Programs of Study

### PHYSICS

- **Area I - Written Composition:** 6 semester hours
  - ENG 101 English Composition I ........................................ 3
  - ENG 102 English Composition II ........................................ 3

- **Area II - Humanities and Fine Arts:** 12 semester hours
  - Literature (See STARS Approved Course List) ....................... 3-6
  - Speech (See STARS Approved Course List) ........................... 3
  - Fine Arts (See STARS Approved Course List-“A” classification) .................................................. 0-3

- **Area III - Natural Science or Mathematics:** 11 semester hours
  - MTH 110 Finite Mathematics or MTH 112 Pre-Calculus Algebra ................................................................. 3
  - (Additional prerequisite mathematics courses may be required based on placement test results.)
  - Note: BS degree requires MTH 125 Calculus

- **Area IV - History, Social, and Behavioral Sciences:** 3-6 semester hours
  - History (See STARS Approved Course List) .......................... 3-6

### PSYCHOLOGY

- **Area V - Pre-Professional, Pre-Major, and Elective Courses:** 20-24 semester hours
  - Choose 20-24 hours from courses below based on STARS Articulation Guide and the Area V page of the college to which the student plans to transfer.
  - ORI 101 Orientation to College ....................................... 3
  - CIS 146 Microcomputer Applications ................................... 3
  - HED 199 Ecological Approach to Health and Fitness or HED 221 Personal Health .............................................. 3

### RADILOGIC SCIENCES

- **Area I - Written Composition:** 6 semester hours
  - ENG 101 English Composition I ........................................ 3
  - ENG 102 English Composition II ....................................... 3

- **Area II - Humanities and Fine Arts:** 12 semester hours
  - Literature (See STARS Approved Course List) ....................... 3-6
  - Note: Must complete a 6 hour sequence in literature or history
  - Fine Arts (See STARS Approved Course List-“A” classification) .................................................. 0-3
  - Fine Arts or Humanities Electives (See STARS Approved Course List) ........................................... 0-3

- **Area III - Natural Science or Mathematics:** 11 semester hours
  - MTH 113 Pre-Calculus Trigonometry .................................... 3

- **Area IV - History, Social, and Behavioral Sciences:** 3-6 semester hours
  - History (See STARS Approved Course List) .......................... 3-6

- **Area V - Pre-Professional, Pre-Major, and Elective Courses:** 22 semester hours
  - Choose from courses below based on STARS Articulation guide and the catalog of the college to which the student plans to transfer.
  - ORI 101 Orientation to College ....................................... 1
  - CIS 146 Microcomputer Applications ................................... 3
  - BIO 103 Principles of Biology I ........................................ 4
  - BIO 104 Principles of Biology II (University of South Alabama Only) ................................................. 4
  - BIO 201 and BIO 202 Human Anatomy and Physiology I and II ......................................................... 8
  - BUS 271 Business Statistics I ......................................... 3
  - HED 199 Ecological Approach to Health and Fitness or HED 221 Personal Health .............................................. 3

- **Area I - Written Composition:** 6 semester hours
  - ENG 101 English Composition I ........................................ 3
  - ENG 102 English Composition II ....................................... 3

### RESPIRATORY THERAPY/CARDIOPULMONARY SCIENCES

- **Area I - Written Composition:** 6 semester hours
  - ENG 101 English Composition I ........................................ 3
  - ENG 102 English Composition II ....................................... 3

Shelton State encourages degree students to include a 3 semester hour course in health as a component of a well-balanced educational plan. HED 199 and HED 221 transfer as electives to most four-year colleges and universities.

**Total Hours Required for Degree:** 60-65 semester hours

**NOTE:** Students must print and retain a STARS Articulation Guide for the Physical Therapy (Pre-Physical Therapy) program. Failure to do so may result in the program not being transferable.
Area II - Humanities and Fine Arts: .................................. 12
Literature (See STARS Approved Course List) ..................... 3-6
Note: Must complete a 6 hour sequence either in
literature or history
SPH 107 Fundamentals of Public Speaking ............................ 3
Fine Arts (See STARS Approved Course List—"A"
classification) ..................................................................... 3
Fine Arts or Humanities Electives (See STARS Approved
Course List) ........................................................................ 0-3

Area III - Natural Science or Mathematics: .......................... 11
MTH 112 Pre-Calculus Algebra ............................................ 3
(Additional prerequisite mathematics courses may be
required based on placement test results.)
Chemistry Sequence:
CHM 104 and CHM 105 Introduction to Inorganic
Chemistry ............................................................................. 3
CHM 112 College Chemistry I and II ................................. 8

Area IV - History, Social, and Behavioral Sciences: .............. 12
History (See STARS Approved Course List) ......................... 3-6
Note: Must complete a 6 hour sequence either in
literature or history
PSY 200 General Psychology ............................................... 3
SOC 200 Introduction to Sociology ....................................... 3
History, Social, and Behavioral Sciences ......................... 0-3
(See STARS Approved Course List) A student should
take no more than six hours in a single discipline.

Area V - Pre-Professional, Pre-Major, and
Elective Courses: ................................................................ 24
Choose from courses below based on STARS Articulation
guide and the catalog of the college to which the student plans to transfer.
ORI 101 Orientation to College ........................................... 1
BIO 103 Principles of Biology I ............................................ 4
BIO 201 and 202 Human Anatomy and
Physiology I and II .......................................................... 8
BIO 220 General Microbiology ............................................ 4
BUS 271 Business Statistics ................................................. 3
CIS 146 Microcomputer Applications ................................. 3
HED 199 Ecological Approach to Health and Fitness or
HED 221 Personal Health ................................................... 3
(See STARS Approved Course List) A student should
include a 3 semester hour course in health as a component of
a well-balanced educational plan. HED 199 and HED
221 transfer as electives to most four-year colleges and
universities.
PHY 201 General Physics I .................................................. 4

Total Hours Required for Degree ........................................ 61-65

NOTE: Students must print and retain a STARS Articulation
Guide for the Respiratory Therapy/Cardiopulmonary Sciences program. Failure to do so may result in the program not being transferable.

RESTAURANT AND HOSPITALITY MANAGEMENT

Semester Hours
Area I - Written Composition: ......................................... 6
ENG 101 English Composition I ......................................... 3
ENG 102 English Composition II ....................................... 3

Area II - Humanities and Fine Arts: ............................... 12
Literature (See STARS Approved Course List) ................. 3-6
Note: Must complete a 6 hour sequence either in
literature or history
Speech (See STARS Approved Course List) ..................... 3
Fine Arts (See STARS Approved Course List—"A"
classification) ................................................................. 3
Fine Arts or Humanities Electives (See STARS Approved
Course List) ................................................................. 0-3

Area III - Natural Science or Mathematics: ..................... 11
MTH 110 Finite Mathematics or
MTH 112 Pre-Calculus Algebra ........................................ 3
(Additional prerequisite mathematics courses may be
required based on placement test results.)
BIO 103 and BIO 104 Principles of Biology I and II OR
BIO 101 and BIO 102 Introduction to
Biology I and II .......................................................... 8
(See STARS Approved Course List)

Area IV - History, Social, and Behavioral Sciences: ....... 12
History (See STARS Approved Course List) ..................... 3-6
Note: Must complete a 6 hour sequence either in
literature or history
ECO 232 Principles of Microeconomics ........................... 3
History, Social, and Behavioral Sciences ....................... 3-6
(See STARS Approved Course List) A student should take
no more than six hours in a single discipline.

Area V - Pre-Professional, Pre-Major, and
Elective Courses: ............................................................ 20-24
Choose 20-24 hours from courses below based on STARS Articulation Guide and the Area V page of the college to which the student plans to transfer.
ORI 101 Orientation to College ........................................... 1
CIS 146 Microcomputer Applications ............................... 3
(Or a computer class from the STARS Approved Course List for this program.)
HEC 140 Principles of Nutrition ....................................... 3
HED 199 Ecological Approach to Health and Fitness or
HED 221 Personal Health ................................................... 3
Shelton State encourages degree students to include
a 3 semester hour course in health as a component of
a well-balanced educational plan. HED 199 and HED
221 transfer as electives to most four-year colleges and
universities.
BUS 241 Principles of Accounting I ................................ 3
Approved Electives ......................................................... 7-11

Total Hours Required for Degree ...................................... 61-65

NOTE: Students must print and retain a STARS Articulation
Guide for the Restaurant and Hospitality Management program. Failure to do so may result in the program not being transferable.

SOCIAL WORK

This curriculum guide is prepared for students who wish to earn a Bachelor of Social Work degree from the University of Alabama. Students who plan to attend other institutions should consult the catalogs of those institutions.

Semester Hours
Area I - Written Composition: ........................................ 6
ENG 101 English Composition I ........................................ 3
ENG 102 English Composition II ..................................... 3

Area II - Humanities and Fine Arts: ................................. 12
Literature (See STARS Approved Course List) ................. 3-6
Note: Must complete a 6 hour sequence either in
literature or history
Speech (See STARS Approved Course List) ..................... 3
