This form may be emailed or faxed.

All applicants must complete this form. Residency guidelines are set by the Alabama Community College System.

Please read the following statements and check one statement that applies to you.

1. I qualify as an in-state student, based on one of the following:
   - I support myself financially, and I (or my spouse) have lived in the state of Alabama for at least twelve months.
   - I am a dependent student, and my supporting person has lived in the state of Alabama for at least twelve months.
   - I graduated from an Alabama high school or obtained a GED in the state of Alabama within three years of this application.
   - I intend to remain at this address indefinitely.

2. I am currently considered an out-of-state student. I do not meet the guidelines for Alabama resident tuition but am aware that I can reapply once I have met the guidelines. Requests for change of residency status can be made only during the drop/add period for that semester. An out-of-state student cannot attain residency status by attending school for twelve months in the State of Alabama.

3. I have currently lived in the State of Alabama for less than twelve months. However, I certify that I have more substantial connections with the State of Alabama than with any other state.

If #3 is selected, you may be eligible for in-state residency if ONE of the following applies to you. You are required to provide documentation to the Enrollment Services Office for certification before the in-state tuition rate is official.

1. Payment of Alabama state income taxes as a resident
2. Ownership of a residence or rental property in the state
3. Full-time employment in the state (self, spouse, or supporting person)
4. Voter registration and voting in the state
5. Member of the United States military on full-time active duty stationed in Alabama (self, spouse, or supporting person)
6. Accredited member of a consular staff assigned to duties in Alabama
7. Residence in Lowndes County or Noxubee County in Mississippi
