8. Documentation is required that demonstrates adequate health and life insurance, which must be maintained during enrollment. Students who do not present their own health insurance must purchase a health insurance policy through the College. Students are required to pay for international insurance coverage at the time of registration. (Note: Spring and summer semesters are combined unless the summer is the student's first semester.)
9. English as a Second Language exam may be waived for students from the following countries: Australia, Bahamas, Bermuda, Canada (verify from transcript), England, Ireland, Jamaica, New Zealand, Scotland, Antigua and Barbuda, Barbados, Grenada, Belize, Dominica, Malawi, St. Lucia, St. Kitts and Nevis, Nigeria, Tanzania, The Gambia, Tobago and Trinidad, Zambia, and the Virgin Islands. 10. International students in this country with an F-1 visa from another institution may be accepted for full-time study at Shelton State. Students must complete and return the Transfer Recommendation of Student's Immigration Status prior to admission. The student must maintain the recommended hours required by the host institution while in transient status.

NOTE: No student will be allowed to enroll for a second semester unless all required admissions records have been received by the College prior to registration for the second semester. If all required admissions records have not been received by the College prior to issuance of first semester grades, then the grades will be reported on the transcript, but an official transcript will not be released until all required admissions records are received.

Transient and transfer students must have an application for admission on file prior to registering for classes, and transient students must submit an updated transient letter each term.

To register online, students must have a Student ID (S number) and password. Students who do not remember the password should visit the Office of Enrollment Services or email [help@sheltonstate.edu](mailto:help@sheltonstate.edu).

### STARS Advising

Students who plan to transfer to a public four-year institution in the state of Alabama should visit [sheltonstate.edu](http://sheltonstate.edu) and search for the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system providing guidance and direction for prospective students who transfer to public institutions within the state of Alabama. The STARS system allows students in Alabama to obtain a transfer guide/agreement for their major at the selected public four-year institution. Students should print and keep this guide. If used correctly, then it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year institution in Alabama. Refer to STARS for more information.

### Prerequisites

Before a student enrolls in a class, all prerequisites must be satisfied. If a student enrolls in a class for which the prerequisites are not fulfilled, then the student may not receive credit for that class and may be withdrawn administratively. Additionally, any student planning to take online courses must complete online orientation (ELO).

**THE FINAL EXAMINATION SCHEDULE IS AVAILABLE IN MYSHELTON.**

## OTHER IMPORTANT INFORMATION

### **Martin and C.A. Fredd Campuses**

Shelton State Community College offers classes on two campuses: the Martin Campus and the C.A. Fredd Campus. These campuses are approximately seven miles apart.

The campus location for a course is noted on the schedule as “Martin” or “Fredd.” Students should schedule classes to allow time to drive, park, and arrive on time. Students should not register for a class that meets immediately after a class on the other campus. For example, if the student’s first class meets from 8:00 a.m. until 10:00 a.m. on the Fredd Campus, then the student should not register for a class that begins at 10:15 a.m. on the Martin Campus.

### **Demopolis Higher Education Center**

With a continuing focus on expanding services and opportunities, Shelton State Community College offers courses at the Demopolis Higher Education Center. Enrollment options are available in general education and community education.

### **Grades**

To obtain grades, visit sheltonstate.edu and select myShelton. Students must enter the Student ID number and the password for access. Students who forget the password may email help@sheltonstate.edu. Grades are not mailed. It is the student’s responsibility to check grades at the end of each semester. Students have six months to dispute any grading issues associated with their class or term transcript.

### **Class Cancellations/Room Changes**

It is occasionally necessary for the College to cancel a class or change a room. When possible, these changes are communicated one to two days before classes begin. Students will be emailed if a class is cancelled. Students should verify class schedules with room numbers in myShelton.

### **Withdrawal Policy**

Once classes begin for the respective semester, students who wish to withdraw from a class or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw from any class is defined in the College’s academic calendar. There will be NO withdrawals after this date. The student will receive a grade of “W” regardless of the student’s grade average at the time of the withdrawal if the class does not qualify for a full refund when dropped; the grade of “W” will be recorded on the student’s permanent record. Students who remain in the class after the last day to withdraw will receive the grade earned for the class.

Withdrawal through myShelton is available based on the deadline dates listed in this guide and on the College website. Withdrawal in person is available in the Office of Enrollment Services until the close of business of the designated last day for withdrawals. No withdrawals will be taken by phone. Failure to attend class does not constitute official withdrawal. If you are a Pell grant recipient or receive veteran’s benefits, then you must speak with a representative from Enrollment Services before withdrawing from classes. Your grant award may be reduced or canceled if classes are not completed successfully. Students are unable to withdraw totally online and are required to meet with an advisor/navigator prior to withdrawing completely from Shelton State.

### **Withdrawal Process**

Students who wish to withdraw completely from Shelton State should follow these steps:

#### **Students Who Have No Financial Aid**

1. The student meets with an advisor to review the student’s transcript and schedule.
2. The educational planner conducts an exit interview, notes the student’s reason(s) for withdrawing, and discusses alternatives and/or future educational plans.
3. The educational planner and the student sign the Complete Withdrawal Form, which the student then takes to the Office of Enrollment Services for formal withdrawal.

#### **Students Who Have Financial Aid**

(Pell Grant, Veteran Affairs, and Scholarships)

1. The student meets\* with an educational planner to review the student’s transcript and schedule.
2. The educational planner notes any type of financial assistance received by the student.
3. The educational planner conducts an exit interview, notes the student’s reason(s) for withdrawing, and discusses alternatives and/or future educational plans.
4. The educational planner and the student sign the Complete Withdrawal Form, and the student meets with a representative in the Office of Enrollment Services.
5. The enrollment representative explains the financial aid implications of the decision to withdraw and signs the Complete Withdrawal Form. Additionally, the student signs a letter to verify understanding of the financial and educational implications of withdrawing from the College.

6. The student gives the Complete Withdrawal Form and financial aid letter to the Office of Enrollment Services and is withdrawn by a staff member.
7. The student receives a copy of the completed Complete Withdrawal Form.  
\*Students who are unable to visit campus should contact their educational planner by email or phone for assistance.

Note: If the student does not have an assigned educational planner and wishes to withdraw at the C.A. Fredd Campus, then the education planner who meets with the student follows all steps associated with the withdrawal process as described above, but instead of sending the student to withdraw in Enrollment Services, he or she collects the Complete Withdrawal Form and transports it to Enrollment Services on the Martin Campus. The withdrawal date indicated by the advisor/navigator on the Complete Withdrawal Form is used as the withdrawal date. The financial aid representative on the C.A. Fredd Campus will follow the same procedures as outlined above for each student who withdraws.

To challenge out-of-state residency status, students should appeal to the Office of Enrollment Services before the last day of the drop/add and late registration period of a given semester to be eligible for in-state tuition.

FEES MUST BE PAID IN FULL BEFORE REGISTRATION IS CONSIDERED COMPLETE. Students who pay tuition using Prepaid Affordable College Tuition Program (PACT), Vocational Rehabilitation Services, VISA, MasterCard, or any third party entity are responsible for verifying that payment has been received by the Cashier's Office. SHELTON STATE DOES NOT GIVE CASH REFUNDS. Refund checks are mailed from the Office of Business Services. Refunds may be requested prior to the start of the semester. After the first scheduled day of classes listed on the College calendar, refunds for complete withdrawals will be issued automatically, less a five percent (5%) administrative fee.

## Refund Schedule and Policy

A student who officially withdraws from any or all classes before the official first day of class for the respective term will be refunded the total tuition and other institutional charges.

Students will receive a 100% refund for classes dropped during any drop/add period if there is a remaining class or classes. After the respective drop/add period, no refund will be given except for total withdrawal from the College.

## Drop/Add Periods

During the defined drop/add periods, students will receive a 100% refund on dropped classes provided other classes remain on the student's schedule.

Once the drop/add period has ended, partial refunds will be granted only for a complete withdrawal of all classes. The amount of the refund is outlined on the previous page.

**ALL STUDENTS ARE REQUIRED TO PAY TUITION AND FEES ON OR PRIOR TO THE COLLEGE'S PUBLISHED DUE DATES FOR EACH TERM.**

Sponsored students are an exception to this policy. Sponsored students include those students whose expenses are paid by agencies, such as Vocational Rehabilitation Services, Alabama G.I. and Dependents Educational Benefits Act (excluding veterans who receive benefits only from Federal Veterans Administration), and eligible Pell Grant recipients. These students must have written authorization from the sponsoring agency on file in the Office of Business Services prior to registration in order to register without paying.

## FINANCIAL AID

### Applying for Financial Aid

Students who apply for financial aid must comply with the following:

1. Apply for admission to Shelton State and submit an official copy of final high school transcript, GED score, or academic transcripts from other colleges previously attended. Transient and high school students are not eligible to receive financial aid. All other students must have a complete admission file before financial aid funding can be awarded.
2. Be a U.S. citizen or an eligible non-citizen. All eligible non-citizens must provide documentation to verify their eligibility status.
3. Be a regular student working towards a degree or certificate in an eligible program at SSCC. A regular student is someone who is enrolled or accepted for enrollment in an eligible institution for the purpose of obtaining a degree or certificate offered by the College.
4. Meet the standards of academic progress (qualitative and quantitative).
5. Register with Selective Service if you are a male student between 18-25 years of age. Register online at [www.sss.gov](http://www.sss.gov).

### Important Financial Aid Facts

- Shelton State does not process or accept any type of student loan.
- Students must review all information within myShelton and submit any unsatisfied documents as soon as possible to finalize the financial aid application process.
- Certain certificate programs receive less financial aid funding than full degree programs. Students should review the converted credit hour section of the website to determine how the award will be processed by the program of study.
- Financial aid refund checks are processed fourteen days after attendance is verified. Refunds for second split courses are not processed until second split attendance is verified. Students must have their Shelton State ID to pick up their refund check.
- If the student has completed the FAFSA and has not been notified by Shelton State, then he or she should contact the Office of Enrollment Services at 205.391.2214 or [fa@sheltonstate.edu](mailto:fa@sheltonstate.edu).

## Obligation to Repay Title IV Financial

### Assistance

Federal grant recipients who completely withdraw from the College or are no longer attending all classes prior to completing sixty percent (60%) of the enrollment period will owe a repayment to the U.S. Department of Education.

Failure to attend class will result in a reduction or repayment of financial aid. Students enrolled in distance education classes must begin participation within five (5) days of the first day of class.

### Definitions

**Federal Grant Recipient** - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Program (ASAP) is defined as a Federal Grant Recipient.

**Complete Withdrawal** - The return of Title IV funds will be calculated based on an applicant's failure to complete at least sixty percent (60%) percent of the term. The calculation will be based on the last official or unofficial date of withdrawal from all classes.

**Sixty Percent (60%) of Enrollment Period** - Students who withdraw from the College or stop attending class on or before these dates will owe a repayment. Students who withdraw after these dates will not owe a repayment.

**Repayment** - The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid received. Students who fail to repay the U.S. Department of Education will not be eligible to receive federal aid at Shelton State Community College or any other institution.

**Financial Aid Credit Hours** - All technical courses not associated with a degree plan (the program does not offer a degree) are subject to a clock hour conversion. This means the credit hours may not be counted fully for financial aid purposes.

All information regarding a student's federal financial aid award (i.e., adjustments, courses in program, attendance, and disbursement dates of refunds) will be communicated within myShelton and/or by email to the preferred email address listed in myShelton.
