ABOUT SHELTON STATE

DUAL ENROLLMENT

DUAL ENROLLMENT ALLOWS ELIGIBLE HIGH SCHOOL students to enroll in college classes at the same time with high school classes. Students successfully completing dual enrollment classes receive both high school and college credit.

WHY DUAL ENROLLMENT?

- The potential to gain a jump start on the college experience
- Less time required after high school to complete a college degree
- Save time and money on tuition

WHERE CAN I TAKE CLASSES?

- Respective high school
- Shelton State Martin or Fredd Campuses
- Online

WHO IS ELIGIBLE?

- 10th, 11th, or 12th grade students with parent and high school counselor approval
- Technical GPA: 2.0
- Academic GPA: 2.5

STUDENT Ambassador PROGRAM

SHELTON STATE DUAL ENROLLMENT

Student Ambassadors will serve as positive role models for new, current, and prospective students. They will support recruitment and enrollment for the College by serving as liaisons between Shelton State and their current high school.

DUAL ENROLLMENT STUDENT

Ambassadors will be eligible for a Shelton State Ambassador scholarship should they choose to attend the College upon high school graduation.

TO APPLY STUDENTS MUST:

- Have completed one (1) semester of dual enrollment coursework at Shelton State
- Be a high school junior (rising senior for the upcoming school year)
- Have a GPA of 3.0 or higher
- Commit to serving one academic year

SUMMER: MAY 1 | FALL: AUGUST 1

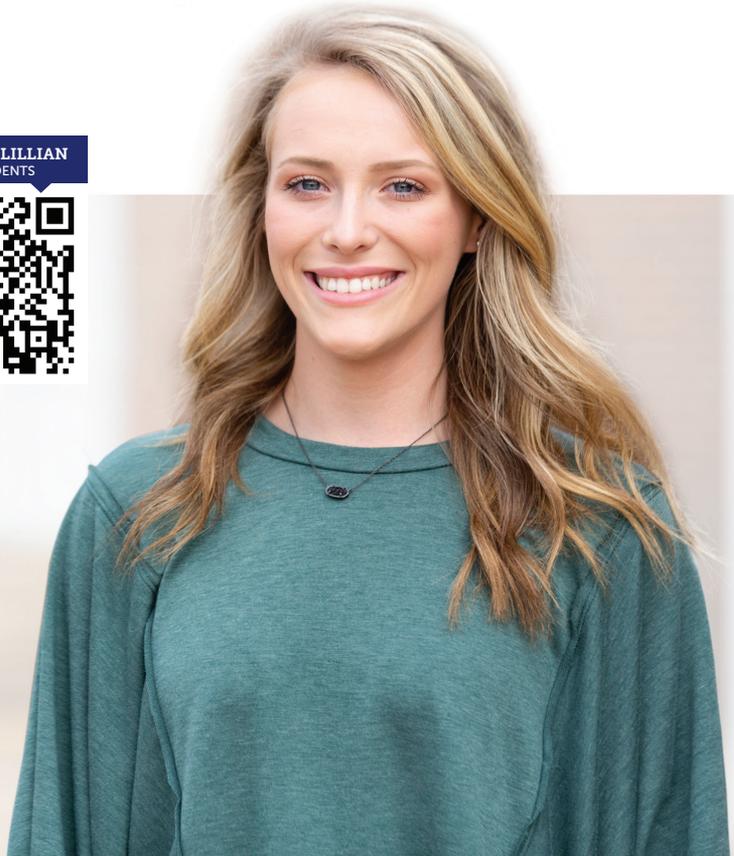

SHELTON STATEMENT: LILLIAN HOLMES

finding your **HOME**

AS A DUAL ENROLLMENT STUDENT FROM HALE COUNTY HIGH SCHOOL, LILLIAN HOLMES MADE HER SHELTON STATEMENT EARLY! Despite early fear, Lily registered for classes at Shelton State and found a home away from home. Finding SSCC to be an atmosphere that made her comfortable from the beginning, she made her transition from high school to college a successful one. Let us make you feel welcome, too!

SHELTON STATEMENT: LEANNA ROB-

setting your PATH

LEANNA ROBERTS MAY BE YOUNG, BUT SHE KNOWS EXACTLY WHERE SHE WANTS HER CAREER PATH TO LEAD. Following in the footsteps of her family members, LeAnna has set her sights on a career in medicine and has taken a huge step forward in meeting that goal. LeAnna's Shelton Statement shows us that commitment and dedication don't have an age requirement and that Shelton State's dual enrollment program is leading students to realize their dreams earlier than ever!

Frequently asked Questions

-----> **WHAT IS DUAL ENROLLMENT/DUAL CREDIT?**

Dual enrollment is an opportunity for eligible 10th, 11th, and 12th-grade high school students to enroll in a college-level course to provide both college credit and high school credit simultaneously. Serious consideration and counseling should be provided for 10th-grade students to ensure they have the social maturity for college-level work.

WHAT IS THE DIFFERENCE BETWEEN DUAL ENROLLMENT/ DUAL CREDIT AND ARTICULATED CREDIT?

Dual Enrollment/Dual Credit means a high school student is enrolled in a college course that will be used for both high school credit and college credit. Articulated credit allows a student to receive credit for a high school course when the content matches the college curriculum for a "like course." The course has been approved by both the local school system and the College. The student receives the articulated college credit for the course upon graduation from the high school and admission to SSCC.

WHAT IS THE DIFFERENCE BETWEEN DUAL ENROLLMENT AND ACCELERATED HIGH SCHOOL?

Dual Enrollment means a high school student is enrolled in a college course that will be used for both high school credit and college credit. Accelerated High School allows a high school student to enroll in a college class to earn college credit only.

WHEN AND WHERE CAN I TAKE CLASSES?

Classes may be offered at a local high school, online/virtually, or on one of SSCC's campuses. Students can schedule classes at their high school with approval from their high school counselors. Students may take courses at SSCC during the day, evening, or online during the school year or during the summer semester.

WILL DUAL ENROLLMENT COURSES TRANSFER TO OTHER COLLEGES AND UNIVERSITIES?

Academic transfer courses will transfer to colleges and universities in Alabama. The Statewide Transfer Articulation System (STARS) provides information on courses that transfer from SSCC to Alabama's public four-year institutions. For information on STARS and transfer credit in Alabama, students should go to www.gettheguide.net. Students who plan to attend a college or university out of state should contact the institution for specific transfer information.

Career technical courses are not designed for transfer. However, these courses allow students to get a jump start on a technical career program at SSCC. These courses can lead to an Associate in Applied Science degree or certificate and help with early employment opportunities in today's highly skilled workforce.

IS DUAL ENROLLMENT RIGHT FOR EVERYONE?

The dual enrollment program is an opportunity to take challenging courses and accelerated educational opportunities. Students who successfully complete dual enrollment courses will receive credit toward their college degree. Students should understand, however, that dual enrollment courses are college courses and the amount of work necessary to succeed in dual enrollment courses may be much greater than in high school courses.
