

Student Checklist for First-time Dual Enrollment

Meet the following requirements to participate in Dual Enrollment:

- Current high school transcript
- A minimum 2.5 GPA for academic courses and a 2.0 GPA for technical courses
- Enrolled in 10th, 11th, or 12th grade
- Courses must be at or above 100 level. Physical education (PED) classes are not eligible for dual enrollment.
- Meet all prerequisite requirements as listed in the SSCC Catalog. Students must submit appropriate ACT, SAT, or college placement scores.

Submit the Shelton State admission application. Visit sheltonstate.edu/dual

Note: Select application type, “Dual Enrollment.”

Upload a copy of your primary form of identification.

Proof of driver’s license, learner’s permit, U.S. passport, or other government-issued identification is acceptable within the application portal. In the absence of a government-issued photo ID, a printout of the student information profile sheet, signed and dated by the high school counselor, can be submitted. The profile sheet must show the student’s home address and include the student’s photo.

Submit the Dual Enrollment Approval Form.

- As part of the Dual Enrollment Approval Form, a student must upload a current high school transcript.
- If selecting a math or English course, a student must upload qualifying ACT scores (18 math subscore – MTH 100, 22 math subscore - MTH 112, 18 English subscore - ENG 101).

Complete Accuplacer placement assessment.

Note: Should be completed only if a student chooses to take a math or English course and **does not** have qualifying ACT scores.

Student Checklist for Returning Dual Enrollment

Students who wish to continue taking college courses through dual enrollment for subsequent terms are not automatically reenrolled. The document listed below must be submitted. **If a student does not take a dual enrollment course for two consecutive terms, the student must reapply as a first-time dual enrollment student.**

Submit the Dual Enrollment Approval Form.
