Helpful hints when completing the scholarship application:

- Upload documents in PDF format. Current Shelton State Community College students can upload a current Shelton State Community College transcript in Microsoft Word format. (Certain files, such as .jpeg, .gif, .png, and .zip, will not be accepted.)
- Verify that your name appears on the uploaded transcript.
- Verify that your unweighted or institutional GPA is visible on your uploaded transcript.
- Transcripts must be complete and include all pages.
- Include transcripts in one document. If your transcript is more than one page, it will need to be scanned into one document and uploaded. If you upload more than one page, the second page will replace the first page.
- Verify that the correct documents have been uploaded in the correct place. If not, upload again.
- Do not upload a note to explain why you are not uploading the required document.
- Verify that you have answered all additional requirement questions.
- Verify that you have submitted the application.
- **TECHNICAL SCHOLARSHIP APPLICANTS** - Verify that you have chosen the correct program of study that you plan to enroll in for the 2023-2024 academic year. Students may utilize the scholarship award only in the program of study selected on the scholarship application. Students who change their program of study after accepting a technical scholarship forfeit the award, which results in required payment as indicated by the College's payment schedule.
- Alabama Community College System policy 805 states that any student who is awarded institutional scholarship hours is limited to a total of eighty-two award hours.
- Applications with incomplete transcripts, incorrect or missing documents, or documents in an incorrect format will be considered incomplete and ineligible for scholarship consideration.
- Attend a Scholarship Application Workshop for assistance. (See below.)
- Submit the 2023-2024 Free Application for Federal Student Aid (FAFSA) at <https://studentaid.ed.gov/sa/fafsa>.
