The U.S. Department of Education has implemented the “Fresh Start” initiative, which may enable some students with a defaulted federal (Title IV) student loan to regain federal student aid eligibility. Students wishing to participate in the Fresh Start initiative must read and submit this form. Note: Some loans are not eligible for the Fresh Start initiative. For more information go to <https://studentaid.gov/announcements-events/default-fresh-start#which-loans-eligible>.

**General Information about the Fresh Start Program:**

- Students eligible for the Fresh Start initiative will temporarily regain eligibility to the federal student aid programs: Pell Grant, Federal SEOG, Federal Work-Study, and Federal Direct Loans.
- Students eligible for the Fresh Start initiative must have a complete financial aid file in order to be offered federal student aid. Students who are ineligible for any other reason (e.g., failing to meet satisfactory academic progress standards, owing an overpayment on a Title IV grant or being in default on another ineligible loan) are not eligible to receive Title IV aid unless the eligibility issue is resolved.
- This is not loan forgiveness, meaning your loan debt balance is not being reduced or cancelled. All Fresh Start initiative participants must repay their loans and will have one year after the end of the COVID-19 student loan payment pause to make payment arrangements. Any borrower with eligible defaulted federal student loans can make payment arrangements during the initiative by visiting [myeddebt.ed.gov](http://myeddebt.ed.gov), contacting their loan holder by phone or in writing, or calling the Default Resolution Group at 1-800-621-3115.

**Borrower Acknowledgement:**

I \_\_\_\_\_ understand that I am eligible for Title IV aid as a result of the Fresh Start initiative. As a Fresh Start-eligible borrower, I understand that, by accepting Title IV HEA federal student aid during the Fresh Start period, I am agreeing to have my defaulted loans transferred to a new loan servicer – the company that will manage my loan – which will result in continued Title IV, HEA federal student aid eligibility beyond the Fresh Start period. I understand that this transfer may not occur immediately and that I can contact the holder(s) of my defaulted loan(s) to request transfer sooner

The Free Application for Federal Student Aid (FAFSA) is the only form a student is required to complete to be considered for student assistance from any of the Title IV/Higher Education Acts (HEA) programs. No additional application or other request for information can be required by an institution in support of the student's request for Title IV/HEA program assistance, except for information needed to ensure the student's eligibility for such assistance (e.g., information needed to complete verification or to demonstrate compliance with the student eligibility provisions of the HEA and the regulations).

Each institution will make reasonable accommodations for qualified disabled applicants or employees.

It is the policy of the Alabama Community College System Board of Trustees and Shelton State Community College, a postsecondary institution under its control, that no person shall, on the grounds of race, color, national origin, religion, marital status, disability, gender, age, or any other protected class as defined by federal and state law, be excluded from participation, denied benefits, or subjected to discrimination under any program, activity, or employment.
