

Shelton State Community College

2024-2025 Institutional Scholarships

Shelton State Community College offers competitive scholarships to qualified students who are **residents of the state of Alabama**. Scholarships are awarded based on availability of awards. Meeting the minimum requirements does not guarantee a scholarship award. Scholarship applications must be completed online via Award Spring. Check the scholarships webpage for details. **The scholarship application deadline is March 1, 2024, by 12:00 p.m.** Alabama Community College System policy states that any student who is awarded institutional scholarship hours is limited to a total of eighty-two award hours. Scholarships will apply to tuition only; **students will be responsible for all fees.**

Alabama Community College System policy also requires that scholarship recipients be U.S. citizens or resident aliens who meet institutional requirements. Every applicant is required to submit an application for admission to the College and an application for federal financial aid. Students should apply for the academic year(s) in which the award will be provided. Students must apply for federal financial aid online at <https://studentaid.ed.gov/sa/fafsa>.
