## E. Student/Parent Tax Forms and Income Information To Be Verified

The best way to verify income is by using the IRS Data Retrieval Tool (DRT) that is part of the FAFSA on the Web at <u>FAFSA.gov</u>. In most cases, no further information is needed to verify 2021 income information that was transferred into the student's FAFSA using the IRS DRT if the information was not changed by the FAFSA filer. Check the box below that applies.

Student	Parent(s)	Please check the boxes that apply.
		This person <u>used</u> the IRS DRT in FAFSA on the Web to transfer 2021 IRS income tax return information into the student's FAFSA.
		This person <u>has not yet used</u> the IRS DRT in FAFSA on the Web, but this person will use the tool to transfer 2021 IRS income tax return information into the student's FAFSA and re-submit the FAFSA.
		This person is <u>unable or chooses not to use</u> the IRS DRT in FAFSA on the Web, but this person will provide the College with a 2020 IRS Tax Transcript(s). (See instructions on our website to obtain a tax transcript under "Financial Aid Forms.")
		This person <u>is not</u> filing 2020 income taxes, and this person <u>is not</u> required to file a 2021 U.S. Federal Tax Return. Complete section E.
