Shelton State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the Associate in Arts, Associate in Science, and the Associate in Applied Science degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404.679.4500 for questions about the accreditation of Shelton State Community College. <http://www.sacscoc.org/>. Please do not contact the Commission with other questions unless there is evidence that appears to support Shelton State Community College's significant non-compliance with the Commission's accreditation requirements or standards. Contact information for the Commission on Colleges is provided to allow interested constituents to (1) learn about the accreditation status of the institution, (2) file a third-party comment at the time of the institution's decennial review, or (3) file a complaint against the institution for alleged non-compliance with a standard or requirement. Normal inquiries about the institution, such as admission requirements, financial aid, educational programs, and educational support services, should be addressed directly to Shelton State Community College and not to the Commission's office. It is the policy of the Alabama Community College System Board of Trustees and Shelton State Community College, a postsecondary institution under its control, that no person shall, on the grounds of race, color, national origin, religion, marital status, disability, gender, age, or any other protected class as defined by federal and state law, be excluded from participation, denied benefits, or subjected to discrimination under any program, activity, or employment.
